### **Go Green! Sprint Wireless Recycling**

Wireless recycling is an important part of Sprint's environmental commitment. Our recycling programs were created to help prevent millions of phones from ending up in the waste stream. We encourage everyone to help preserve our earth for future generations by recycling their no longer used wireless phone through one of our two programs. For complete details visit [http://www.sprint.com/responsibility/communities\\_across/index.html](http://www.sprint.com/responsibility/communities_across/index.html).

### **Sprint Buy Back Program**

The Sprint Buyback Program offers new and existing Sprint subscribers an account credit for hundreds of eligible wireless devices. We accept phones from ANY manufacturer and/or ANY carrier in ANY condition. For complete details visit [www.sprintbuyback.com](http://www.sprintbuyback.com).

### **Focus On Driving**

It can be tempting to make a call or send a text message on your mobile phone when you're driving. During these moments, Sprint wants its customers and employees to remember that their primary responsibility when they're behind the wheel is to always focus on driving. Visit [www.sprint.com/focusondriving](http://www.sprint.com/focusondriving) to take Sprint's distracted driving pledge, and learn how you can become a more responsible driver and encourage others to do the same.
